Glove holder with snap hooks	0899 899 023

Extremely robust cut protection glove with maximum cut protection and abrasion resistance

- Outstanding mechanical resistance in terms of cut and abrasion resistance
- Nitrile foam coating with outstanding grip and good resistance against grease and oils
- Additional reinforcement in the crook of the thumb ensures extended service life
- Good puncture resistance against metal chips
- Good fit

Application area

For work involving maximum cut protection, abrasion resistance and puncture resistance requirements when handling glass and in metalworking, automotive, recycling and maintenance applications.
