

LED HAND-HELD LAMP WLH 6

Art. No.	0981 736
P. Qty.	1
Luminous flux	500 lm
Number of LEDs	16 PCS
Power rating	6 W
IP protection class	IP 64
Impact resistance	IK07
Protection class	Protection class II/protective insulation
Min./max. nominal voltage	220/240 V/AC
Min./max. frequency	50/60 Hz
Cable type	H05BQ-F2x1.0 mm ²
Power-lead length	5 m
Plug connector	1 Schuko plug, 16 A

Soft, pleasant and low-shadow light for effortless work

No need to change the bulb

- Saves time
- No downtime

Low power consumption

- Saves costs
- Environmentally friendly

No warm-up and pre-heating time

- Full light efficiency immediately available
- Very good cold start behaviour

Resistant to oil, petrol and UV radiation

Made in Germany

Art. No.	0981 738
P. Qty.	1
Luminous flux	900 lm
Number of LEDs	28 PCS
Power rating	9 W
IP protection class	IP 64
Impact resistance	IK07
Protection class	Protection class II/protective insulation
Min./max. nominal voltage	220/240 V/AC
Min./max. frequency	50/60 Hz
Cable type	H05BQ-F2x1.0 mm ²
Power-lead length	5 m
Plug connector	1 Schuko plug, 16 A
